

Detachment of Massachusetts

Membership Cheat Sheet

There is no need to talk numbers, all of us have access to the membership metrics report in front of them. The assistant membership chairmen (Vice Commanders) will describe the numbers if necessary or asked.

These are the questions that will be asked:

1. Are all the 2023 dues cards delivered to the Squadrons in the District?
2. Has contact been made with Squadrons that have not transmitted any renewals yet?
3. Is there a District team in-place yet? If no, are there plans to form one? If yes, is there a plan in-place?
4. What's going on in support of this year's four key focus areas?
 - a. Refresher (new blood)
 - b. Gotta Keep 'em (retention)
 - c. Keep the Swamp Drained – DMS Transfers (**N/A - Legion**)
 - d. Inclusion – Everyone is welcome in our Legion Family
5. How is your district going to Make it Personal?
6. Are there any population/growth issues with squadrons that you'd like to give a brief update on? (Please use this format: 1. Give Squadron & Issue, 2. State actions that have already been taken, 3. What is the plan to resolve issue or is help needed to come up with the plan?)
7. What can the Detachment Team do to help your district?

Note: These questions are not meant to put any person or district on the spot. We need to honestly know where we stand so we move forward. It is Okay to say "No", it's Okay not to have a plan, etc. This is a work-in-progress. No one has all the answers, we are all in this together.
